The diagram illustrates a simple network structure. At the center is a large red circle labeled 'FK'. Two smaller white circles are positioned vertically above and below the central circle. The top circle is labeled 'Fattah K...' and the bottom circle is labeled 'Wilden S...'. Both peripheral circles have a small red dot at their top. A dashed line connects the two peripheral circles, passing through the central circle. A red line connects the central circle to each of the peripheral circles. A red rectangular box labeled '2 Firmen' is located to the right of the central circle.
