The diagram illustrates a simple network structure. At the center is a large red circle labeled 'SA'. Two smaller white circles are positioned vertically above and below 'SA'. The top circle is labeled 'Paul Spi...' and the bottom circle is labeled 'Spinner ...'. Both peripheral circles have a small red dot at their top. A dashed gray line forms a circle around the central 'SA' node, passing through the centers of the two peripheral nodes. A red line connects the central 'SA' node to each of the peripheral nodes. A red rectangular box with the text '2 Firmen' is located to the right of the central 'SA' node.
