The diagram illustrates the structure of a Future Options (FO) contract. At the center is a large red circle labeled "FO". Two smaller white circles, each labeled "Future o...", are positioned above and below the central circle. These two outer circles are connected by a dashed line that forms a semi-circle. A red dot is located on the dashed line between the two outer circles. A red rectangular box labeled "2 Firmen" is positioned to the right of the central "FO" circle, indicating that the contract involves two firms.
