The diagram illustrates a Target Group (TG) represented by a large red circle in the center. Two smaller white circles are positioned vertically above and below the TG circle, connected by a vertical line. The top white circle is labeled "Praxis A..." and the bottom white circle is labeled "time4 Gm...". A dashed line forms a circle around the TG circle, passing through the centers of the two white circles. A red dot is located on the vertical line between the TG circle and the top white circle, and another red dot is located on the vertical line between the TG circle and the bottom white circle. A red rectangular box with the text "2 Firmen" is positioned to the right of the TG circle.
