The diagram illustrates a network structure with a central red circle labeled "FS". Three smaller white circles are arranged around it, each containing a name: "Fredy Su..." at the top, "Sutter a..." at the bottom left, and "Sardona ..." at the bottom right. Each of these three outer circles has a small red dot above it. Solid red lines connect the central "FS" circle to each of the three outer circles. A dashed grey line forms a triangle connecting the three outer circles. A red rectangular box with the text "3 Firmen" is positioned near the top right, indicating the number of firms in the network.
